I, the client understand that the \$500.00 deposit is to be applied to my wedding packages and is non-refundable. (\$500 per service, so we require \$1,000 if booking both photo and video) If I am to change my wedding date, the deposit will not be forfeited, but applied to my package on the new date if the photographers are available. If they are not, then the \$500.00 will be forfeited. If any payments are made prior to the wedding, and it is cancelled due to the client's personal reasons, all moneys will be kept by Beyond Photography and 70% may be used towards other future photography services, outside of the \$500.00 lost deposit retainer. Beyond Photography will be at a loss of booking other weddings in this case, therefor only 70% is returned for future services. Traditional business practice is to give zero percent back, however we are willing to work with our customers so they do not have a total loss.
