DESIGN add on options

Each year we offer a design add on option to any package. These are not available for individual sale.

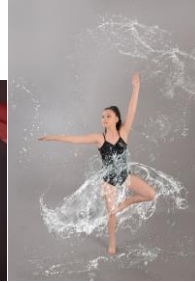

You can select from any of the following options:

___ Dancing in the Rain

___ Smoke

___ Flowers

___ Silk Material

Note: If you are ordering these options to add on to your other order, please let the front desk and photographer know which outfit you would like to have photographed for this, and what option. We photograph these specific to each option, and bring a sign from the front desk that lists which option you have chosen.
